

Eurodolly — high-capacity carrier for multipurpose use

The Eurodolly is a versatile ¼ pallet dolly with a plastic deck, it can support plastic crates of different sizes and types of trays.

It is ideal in storing, transporting and even displaying bulk products as it can be easily rolled into the point of sales for fast product replenishment.

The Eurodolly offers one-touch logistics and is ready for display locking.

The Eurodolly is also suitable for multiple uses and various transportation systems for a long life-span and low total cost of ownership.

Key Benefits:

- ✓ **Fast Replenishment**
- ✓ **Easy branding and marking**
- ✓ **Universal Display - can be used for various packages**
- ✓ **Ready To Sell**
- ✓ **Easy to wash & maintain**
- ✓ **Suitable for automated order picking**
